

**Easter Monday 2011  
Churches Together Orpington (CTO)  
Prayer Walk Final Day**

*Walking on for Jesus, calling at each Church,  
Praying for their intentions, for God's guidance we did search.  
In fellowship together, differences set aside.  
Like the road to Emmaus, did Jesus stride beside?  
For when two or three together, meet in His precious name,  
He said He would be there, so I'm sure He also came. Cjs.*
